**Honor Scroll Editor**

**Karyn Pannell**

December's Assembly featured much celebration and song as we headed into the long winter break. Student representatives talked about successful drives for a dog rescue and the area. Mahsa Alborzi, mother of Keanu was celebrated as Partner's Parent Volunteer spotlight. Plus we were treated to a song about prepositions by a group of sixth graders. The kindergarten classes led us into the season with a rendition of "Up on the Rooftop."
