Nurse's Notes

I hope everyone has a restful, safe and healthy summer! When you return in August, be sure you have updated immunization records. If you have allergies or asthma, please bring an updated doctor's prescription and Allergy Action Plan along with inhalers and Epipens that are not expired to the orientation!

For those students who will not be with us this summer, you are welcome to pick up any medications from the nurse.

If you have any clothes you have outgrown, we will take donations to keep in the clinic for emergency situations.
