"Spring is when life's alive in everything." - Christine Rossetti

Dear Parents,

Hello Spring! A week of beautiful weather can only mean one thing – spring is here! As nature renews itself our thoughts turn to new beginnings and growth. We see the promise in each child and are continually amazed at how quickly they have grown and blossomed in their own way.

Our Go Western Day with Dads and Moms last Friday was a fun event for all of us. Parents going on a scavenger hunt hopefully saw a snapshot of our other programs at the Elementary/Middle School level. As we get ready to celebrate the Honor Roll School's 25th anniversary during the next school-year, I have to say that we are incredibly proud of our strong foundation and 21st century learning that is taking place across the school. We have incorporated STEM into the curriculum; we challenge our students to think critically and problem solve so the learners of today can be the leaders of tomorrow.

Spring parties and Easter egg hunts will take place during the week of March 21-24. Your child's teacher will notify you regarding party dates.

We have been extremely busy planning our Summer Fun and Enrichment programs. As you must know the two months of summer are a very long time for children to retain what they have learned during the year. Registration forms for Toddlers, Pre-K/Power TK, and Power K have been sent home and they are also on our website. We will conduct ten weeks of summer camp for TK and up, starting May 31. Secure a place for your child this summer and return the forms to the front desk by May 2, 2016.

Please see the summer programs we are offering below:

Summer Fun for Pre-K and Toddlers- Our summer fun program begins on **May 31 -July 29** with dress up days, parades, bring your bike to school day, etc. Specialty classes include Spanish, Art and P.E. Please call the Healthy Lunchbox @ 281-444-8444 to set up a lunch account, or you can send lunch from home. Brochures for our summer fun program will go home soon.

Power TK –Is a **monthly enrichment program** for **June and July** for students entering TK in the fall.

Kindergarten Summer Camp – 10 weeks of camp for students going into Kindergarten. The camp will start on **May 31st and continue through August 5th, 2016.** Students from other schools entering K (public or private) are welcome to join the camp. The program will include **Specialty Classes, Spanish, Art, P.E. and Computer**, as well as **in-house /outdoor field trips**. While the children will follow a fun theme-based curriculum, journal writing, reading and math will be a part of the program as well. Extended care is available from 6:30 – 8:30 a.m. and 3:30 – 6:30 p.m. Lunch will be included in the tuition. Brochures for this camp will go home soon.

Power K – Is a **monthly enrichment program** for **June and July with a focus on Reading, Writing and Math.** Students attending Kindergarten at our school or public school are welcome to attend this program. This program includes Specialty classes Spanish, Art, P.E. and Computer as well as lunch and field trips.

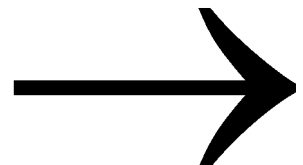

Please note our school will be completely closed for teacher in-service week on August 8-12. TK, Pre-K and Toddler Orientations will be held on August 12 from 8:00 a.m. – 12:00 p.m. The first day of school for the new school-year at ECP is August 15, 2016. You can contact me at joy.dasgupta@nlcinc.com for any questions regarding ECP summer programs. We also have 10 weeks of **summer camps for Elementary/Middle School students** and all inquiries should be sent to cinnamon.baldwin@nlcinc.com.

Thank you for your continued support. We wish you the joys of spring.

Sincerely,

Joy Dasgupta
