Happy Mother's Day to our Moms!*

Dear Parents,

Suddenly, the end of the school-year is upon us. Wow! What a GREAT year it has been! We embarked on a wonderful educational journey with our students. Together we formed a little community where we explored, made new discoveries, learned to share, play, make friendships, and had fun learning.

I would like to take this opportunity to thank our awesome parents for entrusting your most precious possessions in our care and becoming strong partners in their education with our teachers. Thank you Room Moms, Dads, and all parents who volunteered, brought snacks, helped out at our bake sales, accompanied us on field trips, referred us to friends /co-workers, and assisted our teachers in countless ways. We could not have done it without your support.

We are proud of our strong curriculum and our students have learned so much within these ten months. I would like to shout out a big thank you to our wonderful lead teachers, assistants, specialty teachers, extended care teachers and support staff for their dedication, love and devotion to this job. I have to say we were very fortunate to have such a wonderful group of students this year.

The end of the school year is also the beginning of our summer programs. We are looking forward to our **Summer Fun with Toddlers and Pre-K** students for **June and July** as well as **Power TK** for children in Pre-K who are enrolled in TK for August. Our summer forms are at the front desk, so do fill out the summer forms if you have not done so already. All K camp and Power K information is online and classes will take place in the K classrooms starting June 1. Children from other schools are welcome to participate in our weekly K- 8 grade summer program. Please email Cinnamon Baldwin or Michelle Zimmerman if you have any questions regarding summer camp. Their email addresses are: cinnamon.baldwin@nkcinc.com and michelle.zimmerman@nkcinc.com

We are excited to welcome back many of our families for the 2017-18 school- year. Thank you so much for re-enrolling. We look forward to another successful school year with you and your child(ren) starting **August 14, 2017**. The end of the school -year is also a time to say good bye to some of our families. We wish you and the children the very best and hope you will stay in touch with us.

All summer programs end on August 4 and our school will remain closed from August 7-11 for Teacher in-services and workshops. Our ECP Orientation for the new school year will be held on August 11, time to be announced later.

It has been a great privilege and honor to have been a part of your child's education. On behalf of all of us at ECP, I thank you for your positive ideas, suggestions and most of all your support.

Wishing you and your family a fun-filled summer.

Best regards,
