School-Age Day Camp

Where every day is EPIC • Rising K – 4th Grade

Every week, campers delve into the realms of science, nature, creative arts, and performing arts, while engaging in a medley of sports and games. Our camp promises an exceptional array of indoor and outdoor activities, including special guests and exciting on-campus events, adding an extra layer of delight and creating unforgettable moments. These adventures are complemented by captivating field trips that tap into local resources, all culminating in a summer filled with epic adventures and cherished memories.

Draw, Paint, Create

Campers discover their inner artist in a vibrant journey filled with brushes, colors, and boundless imagination!

Project Blueprint

Delve into simple machines and architectural design, sparking curiosity and problem-solving skills.

Color Wars

Join the pep rally! Campers gather for songs, chants, and challenges, promoting collaboration and team spirit.

Summer Games

Channel your inner Olympian! Engage in friendly competitions, team sports, and challenges promoting camaraderie and sportsmanship.

Kids Helping Kids

Inspire compassion and empathy through various service projects, creating a brighter future for those in need.

Makerspace

Creativity and construction collide! Plan and build 3D objects using wood, clay, PVC, and more in our innovative Makerspace.

Myth Busters

Tease your brain! Brain teasers, puzzles, and riddles enhance logic, reasoning, problem-solving, and math skills.

Discover Lab

Collaborate and innovate! Campers solve problems and develop a love for science, technology, engineering, art, and math.

Joyful Noise

Laughter abounds as campers gain creativity and confidence through singing, dancing, and acting.

Cosmic Exploration

Embark on an extraordinary journey through the stars, exploring the wonders of the universe through stargazing and space-themed experiments.

EPIC Field Trips

Rising Kindergarten – 4th Grade

Houston Zoo

Campers will take a walk on the wild side during our Houston Zoo Field Trip. Safari through 55 acres of different animals from across the world and the various habitats they live in. We will explore Africa, South America's Pantanal, the Texas Wetlands, and the Galapagos Islands.

Children's Discovery Center

Campers will explore how the world around them works through science themed exhibits and hands on investigative experiences. They will have fun exploring different buildings in Kidtropolis as bankers, teachers, mechanics, EMTs, and much more.

Main Street Theater

Campers will lose themselves in the wonderful world of theatre while watching *Fancy Nancy*. They will enjoy a picnic lunch before the program and have a chance to ask questions of the cast when the show is over.

Houston Interactive Aquarium & Animal Preserve

Campers will take a deep dive into learning about our planet's oceans, rain forests and deserts all while expanding their understanding of our ecosystem.

The Glazery

Campers will get a chance to express themselves through painting in this fun and exciting experience at The Glazery. They will get to choose from a selection of pottery pieces and then paint and design them exactly how they dream up.

Fridays at the Pool

Campers enjoy a private pool day at the First Colony pool, which is within walking distance to THRS. They will enjoy a sweet treat while hanging out with friends by the pool. Lifeguards are on duty the entire time we are at the pool.

EPIC On-Campus Events

Rising Kindergarten – 4th Grade

Funtastic Labs - Slime Bar

Campers will enjoy a fun and messy in-house field trip while conveying science and arts concepts. They will learn about the different ingredients to make their unique slime, the steps it takes to put it all together, and show off their individuality all while making their one-of-a-kind slime to take home with them.

Club SciKidz

Campers will enjoy this fun in-house field trip science lesson that helps engage students in observation, measurement, identification of properties and experimentation involving life, earth, and physical science concepts. There isn't a more exciting science and technology experience around.

You've Got Talent

Campers show us what your hidden talent is! Campers will practice throughout the week individually or in a group and show off their talent at the end of the week. We are looking forward to seeing them dance, sing, act, play an instrument, tell jokes, or any other creative activity they wish to share.

Water Relay Races

Campers will work together in teams to compete in different water races. They will use various items to transfer water from one location to another before the other teams. Campers will also work together to build water obstacle courses then see who can complete the course first. Some of our games will be designed to see which team can stay the driest while others will be to see who will end of the wettest.

Academic Camps

Keep learning while having fun

Rising Kindergarten – 4th Grade

Academic camps are a wonderful way to enhance your child's love of learning while focusing on a specific subject. From math and robotics to literature and creative writing, we have something for every student. Campers work independently and in small groups to apply real-life experiences to lessons learned in the classroom.

Extreme Camp

Expand their horizons

Rising 5th – 9th Grade

Older campers take day camp to the next level as they expand their horizons, embark on new adventures, and most importantly have fun. Extreme Campers focus on leadership growth and skill development in an environment that forges lifelong friendships. Our program provides an opportunity for campers to become camp role models, participate in service learning, and grow STEAM-based skills.

Leadership

Campers engage in peer-to-peer learning weekly, fostering confident and knowledgeable social-emotional leaders. They develop a leadership mindset through activities focused on team building, collaboration, self-advocacy, and mindfulness.

STEAM Skill Development

Campers master essential STEAM skills, including engineering and math, through project-based learning. With a focus on these crucial 21st-century skills, our campers extend their learning throughout the summer, immersing themselves in exploration and discovery.

Service Learning

A cornerstone of the Extreme Camp program is our focus on service-learning projects. Giving back to our local communities and fostering a greater understanding of relating to others strengthens our campers' connection to the community and encourages them to be active, solution-focused citizens.

Camp Role Models

Our oldest campers spend time daily as active role models for their camp community. Whether they are helping run the camp recycling program or creating the camp newsletter, these young leaders are modeling positive interactions, empathy, and high motivation for achieving goals for the entire camp community.

Big Island (Hawaii) Highlights

From the raw power of active volcanoes at Volcanoes National Park to the captivating Punalu'u Black Sand Beach, where we might spot green sea turtles basking on the unique shore, and the marine wonders at Kealakekua Bay, we'll create lasting memories of this diverse and breathtaking natural paradise.

Volcanoes National Park

Study volcanology at the Kilauea Visitor Center, hike through volcanic craters, scalded deserts, and lush rainforests; walk into an actual lava tube and see two active volcanoes. This 300,000-acre national park is home to Kilauea Volcano, one of the most active volcanoes in the world!

Punalu'u Black Sand Beach

Visit one of the most famous black sand beaches in the world. These beaches get their color from volcanic lava contacting the ocean—as the lava cools rapidly, it shatters into small basalt fragments giving the beach its black color.

Kealakekua Bay

Board a catamaran for a cruise to Kealakekua Bay, a Marine Life Conservation District. Snorkel in the brilliant blue waters and see vibrant coral, tropical fish, and on occasion, spinner dolphins. The Bay has historical significance too, as it marks the spot Captain James Cook first landed on Hawaii Island in 1778.

Kilauea Iki Crater Hike

You'll start in a lush rainforest and descend to the floor of the Kilauea Iki Crater, a solidified lava lake which still contains many active steam vents. The vibrant colors and varied wildlife of the rainforest is a stark contrast to the steam vents, cinder cones, and splatter cones found in the crater.

From the Big Island to Oahu

As we bid farewell to the enchanting landscapes of the Big Island, where we've explored the Halema'uma'u Crater, we transition to Oahu. There, we'll continue our educational journey with an ascent to the iconic Diamond Head, offering panoramic views of the Pacific. At Pearl Harbor, we'll pay our respects at the USS Arizona Memorial, and then immerse ourselves in Hawaiian culture with a traditional Luau and Polynesian Show.

Halema'Uma'U Crater

Located on the summit of Mount Kilauea, this underground lava lake has formed a crater that's nearly 3,000-feet in diameter and over 200-feet deep. Students will enjoy a night hike to the crater and stop along the way for stargazing in the pitch-black, unpolluted sky.

Diamond Head

Climb the 99 stairs to the top of Diamond Head, a well-known landmark of the Honolulu Volcanic Series. This 763-foot volcanic tuff cone summit boasts an exhilarating 360-degree panoramic view!

USS Arizona

The USS Arizona Memorial, at Pearl Harbor in Honolulu, Hawaii, marks the resting place of 1,102 of the 1,177 sailors and Marines killed on USS Arizona during the Japanese surprise attack on Pearl Harbor on December 7, 1941, and commemorates the events of that day.

Hawaiian Luau and Polynesian Show

Enjoy a traditional Hawaiian Luau and authentic Polynesian show. Students will learn how to play the ukulele, participate in a hula dance, and discuss the local legends and the cultural connections the Hawaiian people have to the land. This is a Hawaiian favorite you don't want to miss!

Forms

Please email the camp staff at Megan.Malone@thehonorrollschool.com if you have any questions regarding required forms. Campers will not be permitted to attend The Honor Roll School without the required forms on file.

Payment

One week's tuition is due at the time of enrollment. The deposit will be applied to the final week of camp. Weekly camp fees are due every Monday. A \$25 late fee will be charged if payment is not received by 12 pm Tuesday.

Cancellation

If you enroll in camp and your plans change, or you have concerns about your child attending camp this summer, you can receive a full refund/credit for camp tuition, less registration fee. **Program change request must be received 2 weeks prior to enrolled camp week start date.** Participants who do not attend their registered camp week, or who do not contact us to cancel two weeks prior to start date, will not receive a refund or credit. By submitting your payment, you are agreeing to the policy outlined above.

Lunch

Campers may bring their own lunch to camp, or a menu is available through the Ordo website, (<http://ordo.com>) with a daily choice of lunch items, including vegetarian options. A choice of milk or juice is available daily and must also be purchased through Ordo. All students wishing to order through Ordo must place their order by Friday at midnight for the following week. Parents should provide the meal if there are any other special dietary requirements. To purchase lunch, parents must establish, in advance, an on-line lunch account through Ordo. There will be no on-site food preparation or emergency lunches.

Sunscreen

Please make sure you apply sunscreen on your child's skin BEFORE coming to camp every morning. Campers may bring their own sunscreen to re-apply as needed. Please make sure it is labeled with your child's name and in a plastic bag.

Parent Authorization/Medical Release: The information provided is correct to the best of my knowledge, and the person described has my permission to engage in all prescribed camp activities, except if noted by me. In the case of sickness or accident, I hereby give permission to the medical personnel selected by the camp representatives to order x-rays, routine tests, treatment, dental work, and necessary transportation for the recipient at my expense. If I cannot be reached in an emergency, I hereby give permission to the physician selected by the camp representative to secure and administer treatment, including hospitalization, for my child as named above. As the parent/legal guardian of student, I hereby give consent to the School to obtain all emergency medical or dental care given under whatever conditions are necessary to preserve the life, limb or well-being of the student named herein. I understand the School, its officers, affiliates, and employees assume no liability of any nature in relation to the transportation or treatment of the student. I further understand that all costs of transportation via ambulance or other means, hospitalization, examination, X-rays, or treatment provided to the student is the sole responsibility of the student's parent/legal guardian. I authorize the camp staff to apply sunscreen to my child's exposed skin on an as needed basis—if child needs assistance. All photos that are taken of my child may be used for promotional purposes. This form may be photocopied for use away from the main program site.
