

Dolphin Athletic Booster Club

The Dolphin Athletic Booster Club (DABC) is a parent-based organization whose mission is to promote THRS Dolphins spirit and support the school's athletes and athletic programs. The two tenets of the mission are not mutually exclusive in that a synergism exists between athletics and school spirit. We host various activities throughout the year to not only raise funds but more importantly to create awareness and an enthusiasm for the THRS Dolphins at their multitude of diverse competitions. Of course, whether your child is involved in athletics or not, we hope parents show their school pride by supporting DABC and getting involved and energized for their THRS Dolphins. **GO DOLPHINS!**

Purpose: Support The Honor Roll School's Athletic Department by raising monies to help purchase equipment that will promote growth and improvement of the athletic program. DABC will help subsidize the cost of the end of the year Athletic Banquet given to honor and recognize the athletes. DABC supports athletes by providing healthy snacks and showing school spirit during home and away games, hosting Cook Outs, tournaments and clinics and team celebrations.

How You Can Help: Thanks to the donations from previous year's booster club members, the following items have been purchased for THRS Athletic Department: 30 Custom Sideline Chairs, Team Cart and Cooler, Scoreboard Carry Cases, Tennis Machine Battery, Yeti Hooper 30 Bag, Electronic Score Table used at all volleyball and basketball home games. Volleyball Leap IT2, Block Blaster, Precision Passer & Spike It!, Brand new Basketball Goals and Wrestling practice dummies and mats. In addition, MS students receive trophies and plaques and THRS Junior Athletes receive awards.
