More options than ever before.

Our summer camp programs provide children opportunities to explore, discover, make new friends and learn new skills. It all starts with our outstanding counselors, whose talent, creativity and leadership set the tone for an unforgettable experience. They encourage our campers to reach for new heights and expand their horizons and interests. This year, we are offering our families more options than ever before!

School-Age Camp

Each week, students in kindergarten through 4th grade jump into action as they explore science and nature, become involved in creative and performing arts, and participate in sports and games. Our activity blocks give campers fun and variety in their camp day.

Academic Camps

Academic camps are a wonderful way to enhance your child's love of learning while focusing on a specific subject. From math and robotics to literature and creative writing, we have something for every student. Campers work independently and in small groups to apply real-life experiences to lessons learned in the classroom.

Specialty Camps

Our specialty camps are packed with hands-on activities that offer experiences for campers to discover new skills and talents. Whatever your child's interests are, we have fun and unique activities for them to try!

Extreme Camp

Rising 5th - 9th grade campers expand their horizons, embark on new adventures, and most importantly have fun. Our exceptional program and dedicated staff create an environment that forges lifelong friendships among our campers. We create a summer experience that is unforgettable!

Each week, campers jump into action as they explore science and nature, become involved in creative and performing arts, and participate in sports and games. Our activity blocks give campers fun and variety in their camp day.

Activity Blocks

Artist Studio

Art is more than just painting and drawings. Campers stay inspired by using different mediums all summer long.

Cartoon Nation

Campers explore the exciting world of cartoons and comics while learning about the history of some of their favorites and illustrating their own.

Digital Vision

Campers explore the tools necessary to capture great images and videos, and refine them through digital imaging.

Kids Helping Kids

Our campers pay it forward as they help kids in need by planning a community service event from brainstorm to implementation.

Food Boss

Whether dreaming up their own food truck, decorating like a cake boss or simply making a yummy summer treat, the food possibilities are endless.

Color Wars

Our daily pep rally is a time for campers to gather for songs, chants and challenges that promote collaboration.

Minute to Win It

Campers work together to complete fun and sometimes silly tasks all before the time runs out. Ready, set, go!

Sports Lab

We hope our campers are ready for some good old-fashioned fun as they build skills in a variety of indoor and outdoor games.

Mysterious Magic

Children are immersed into the world of magic and mystery. They learn about famous magicians and the secrets behind the magic, and even perform in their own magic show.

Campers Got Talent

Juggling? Hula-hooping? Let your hidden talents shine! Campers develop creativity and confidence through singing, dancing, acting and more.

STEAM Academy

As campers work together on challenging and fun projects, they solve problems, make decisions, and develop a love of science, technology, engineering, art and math.

Science Discovery

Using investigative skills, campers develop hypotheses and draw conclusions while conducting indoor and outdoor science experiments.
